

## WELCOME TO VELOCITY

We're excited to welcome you to Velocity and showcase the advanced capabilities across our facilities. Whether you're here for a project discussion, a facility tour, or to collaborate with our team, this information is designed to help make your visit as smooth and productive as possible.

Velocity is a leading provider of fully integrated custom contract manufacturing, built to take on the most complex challenges from medical device OEMs. Our state-of-the-art facilities are equipped to support every stage of production—from tooling and injection molding to precision machining and full contract manufacturing.

We also offer expert design-for-manufacturing (DFM) support to ensure manufacturability, efficiency, and top-tier quality throughout the entire process. Velocity is proud to bring together the capabilities of our family of brands: Teamvantage, MMD Medical, Paradigme Engineering, and Custom Mold & Design (CMD).

Below you'll find directions to each of our four key facilities in Minnesota, along with approximate drive times and distances from Minneapolis–St. Paul International Airport (MSP) and between each site. We've also included nearby hotel information to support your travel planning.
